SUPPLY DRIVES

MEET TANGIBLE NEEDS

Looking for a way that your school, organization, church, or community group can support foster families in your neighborhood? Organize a collection to meet tangible needs! There is an infinite number of ideas. Here are a few:

Wrap It Up: collect gift wrap, tape, bows, tags, gift bags, tissue paper

Socks and Locks: collect socks and hair care items (brushes, combs, ponytail holders, bows, etc.)

Dinner's on Us: collect \$25 gift cards for various restaurants

Bed, Bath & Books: collect a set of PJs, a bottle of bath soap, and a book for each child (This one would require more detailed planning including signups for PJ sizes.)

Thrilled to Build: collect small sets of building toys (LEGO, KNex, tangrams, blocks, any small building set)
